

Terms and Conditions

OkiCore Solutions is a sole proprietorship operated by Michael Litteral, providing professional services in construction quality control, site safety management, coordination, and consulting. Services may involve bilingual (English/Japanese) communication for domestic and international projects.

Clients agree to:

- Provide accurate, timely, and complete project information
- Cooperate fully during the execution of services
- Respect the terms outlined in any written or verbal agreement

All materials on this site are the property of OkiCore Solutions. Use of this website constitutes agreement to these terms.
